Alissa Levin represents herself as a legal ghost writer expert on Craig's list.. That should have been my first red flag. She is nothing more than a con artist who prays on people in legal trouble like yours truly. She was supposed to draft and file my motion for summary judgement as well as final reply brief for a budget of \$4000. Instead she blew through the budget then quit when I refused to pay her supplemental bill of \$9167 which she illegally charged to my credit card that later was recovered by my credit card company due to a fraudulent transaction. Her pleadings were also stricken by the court which made them worthless and she was not even aware of how to draft an affidavit that does not require a notarized signature. The ARDC later advised me never to hire an attorney off Craig's list and now I know why as those prowling it like Ms. Levin are only looking to take advantage of those already victimized by the legal system. You have been warned
